Llewellyn Publications,U.S. Paperback. Book Condition: new. BRAND NEW, The Mind-body Fertility Connection: The True Pathway to Conception, Jim Schwartz, Now there is a hopeful, painless, and low-cost approach to infertility written by a hypnotherapist with a sixty percent success rate helping women achieve pregnancy by removing blocks in their subconscious mind. There are many infertility-specific issues blocking the mind's subconscious that affect body functions and health. Women with a vague diagnosis of 'unexplained infertility', and even those who have been diagnosed infertile due to minor physical issues, find that the mind can remove many physical and emotional barriers that aren't significant enough to cause permanent infertility.Hypnosis is simply gaining access to the subconscious mind - the place that holds all our psychological 'blockages'. Reprogramming the information going to our body's cells can be a complementary process to any fertility path a woman has chosen. This heartening guide can also benefit any woman undergoing assisted reproductive technologies, those looking for alternatives to these procedures, or for women who are just beginning to think about planning a family and want to prepare themselves for pregnancy.
