

Practical Certificate Physics (Hardback)

By James O Chukwu (Phd)

Christian Faith Publishing, Inc., United States, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Practical Certificate Physics is a complete and an elaborate work in physics that gradually introduces a student from the junior secondary to the senior secondary syllabus. It covers the ordinary level Physics, the senior secondary certificate, and the joint Admissions and Matriculation Examination Syllabus. No level of knowledge in physics is assumed. For instance, the first chapter presents physical quantities, their measurement and units. Here, all the WASC and Cambridge Standards are enumerated. These standards include: labelling of axis and heading in the table of values as is currently being observed in physic experiments. In areas where chemical names are involved such as cells and electrolysis, the IUPAC nomenclature is used. Some of the current terminology and definitions in areas of optics are also presented. The book highlights new topics such as simple harmonic motion, projectiles, fluid in motion, nature in light, capacitors, alternating current technology and quantum mechanics, which are the requirements of the senior secondary certificate. More rigorous example questions are illustrated in the passages. Objective type questions are used where they make the discussion more informative....
