

Sudden Recall: Operation Tango: A Top Secret CIA Covert Action (Paperback)

Filesize: 3.7 MB

Reviews

Completely essential read pdf. It is definitely simplistic but shocks within the 50 % of your book. Its been designed in an exceptionally straightforward way which is simply following i finished reading through this publication in which actually changed me, change the way i believe.

(Damon Friesen)

SUDDEN RECALL: OPERATION TANGO: A TOP SECRET CIA COVERT ACTION (PAPERBACK)

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My spy classmate, Andy Anderson, has written a delicious follow-on to Greene's Our Man in Havana in his novel Sudden Recall. It is at the same time funny, fast-paced, current and full of wisdom. It may provoke a few flashes of indignation in Langley and on the Hill but John Hunt's outbursts are long overdue. -Fred Hitz, Professor of Law, University of Virginia, former Inspector General of the CIA and author of The Great Game: The Myth and Reality of Espionage. Andy Anderson was John Carol Kingsberry Hunt-one of the dangerously ambitious bad-boy field case-officers who bedded their mistresses in safe-houses and recruited high risk, dangerous spies without prior CIA headquarter's approval. We used to say his operational reporting reads like fiction-today it is the other way around. -Richard W. Carlson, US Ambassador (ret.) Former Director of the Voice of America Fact and fiction blur in this hall-of-mirrors espionage novel by CIA spy master Andy Anderson, who lays bare the awful truth about what went wrong-and is still going wrong-in America's war on terror. Sudden Recall is the inside scoop. -Rick Carroll, author of IZ Voice of The People, and former daily journalist with the San Francisco Chronicle.
