Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.You have a 5 chance of living the life you ve always wanted.About 5 of the population know for a fact that the world is filled with endless opportunities and that a person can be and have whatever they want, by learning what they need to know from freely available sources. The other 95 don t believe it and work to make sure no one else does either. What you believe is your choice. It always has been, always will be. You ve never been trained how to think rationally. Instead, you ve been emotionally mis-programmed to have knee-jerk reactions.That allows you to remain a wage-slave and sold just about anything.Your diet has been filled with mass-produced "food" stuffs that are causing more diseases instead of maintaining consistent good health.Conventional business is consistently promoted based on short-cuts, which are based on deceptive economic theory. People are taught to chase money as an object instead of increasing the value of produced goods and so, their exchange value. The result:1 of our population controls 90 of the wealth.Most people go to work at jobs they hate, with no secure retirement, living in fear of being fired. People should love what they do and do what they love but have no clue how to leave the rat-race treadmill they are on.Routes to resolve the above are well booby-trapped. Each of these influence the others directly, so attempting to solve one without the others usually ends poorly.Powerful tools that could solve these problems have been also the most discredited. The problems embedded at the level of just making a living and staying alive have kept people from even seeing these...
