REMEMBER YOUR HEART

iUniverse, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Moon Dreams The morning hour dawns. Night-dreams pervade the air. They linger upon our lips. We call them close so as not to let the memory of them go. We rise. Our dreams follow us. The moon of night diffuses the sun. Are we back sleeping within our precious images? The child with the golden hair and the laughing voice is so real. The lapping of the bright blue water against the distant shore, Shines complete with steady motion. The emerald leaves of forest trees are drenched with morning dew. Dreamers do not wake this morning so illumined by the Round pearl of ivory moon. In this enchanting poetry collection, Hilary Jepsy conveys the underlying power within each of us to release the feelings we have toward life, love, beauty, and the beyond, while reminding us to take special care of our hearts.
