

## Drugs and Medicines of North America, Vol. 1: A Publication Devoted to the Historical and Scientific Discussion of the Botany, Pharmacy, Chemistry and Therapeutics of the Medicinal Plants of North America; Their Constituents,

By John Uri Lloyd

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Drugs and Medicines of North America, Vol. 1: A Publication Devoted to the Historical and Scientific Discussion of the Botany, Pharmacy, Chemistry and Therapeutics of the Medicinal Plants of North America; Their Constituents, Products and Sophistications; Ranunculaceae In this volume we have the record of all the American plants of the first natural order (ranunculaceae) that are known in medicine. We next take up the succeeding natural orders, and hope to continue until we have completed the subject. To those who have assisted us by their subscriptions, we owe a heavy debt of thanks. The issue in periodical form has enabled us to enjoy every advantage both in the preparation and publication, for which we hope they will find a full equivalent in the resulting thoroughness of our work. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases,...
