Filesize: 2.34 MB

Reviews

*It is in a single of my favorite publication. It really is rally interesting throgh studying period. Your life period will probably be transform once you total looking at this book.
(Janie Schultz I)*

THE NO-NONSENSE GUIDE TO WORLD MUSIC (PAPERBACK)

New Internationalist Publications Ltd, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. World Music is an awkward phrase. Used to describe the hugely multifaceted nature of a range of, typically, non-English language popular musics from the world over, it s a tag that throws up as many problems as it does solutions. Louise Gray s No-Nonsense Guide to World Music attempts to go behind the phrase to explore the reasons for the contemporary interest in world music, who listens to it and why? Through chapters that focus on specific areas of music, such as rembetika, fado, trance music and new folk, it explores the genres that have emerged from marginalized communities; music in conflict zones and music as escapism.
