Excerpt from **A Letter on Shakspeare s Authorship of the Two Noble Kinsmen: And on the Characteristics of Shakspeare s Style and the Secret of His Supremacy** William spalding was born on the 22nd of May in the year 1809, at Aberdeen. His father was a practising lawyer as a member of the Society of Advocates in that town, and held office as Procurator Fiscal of the district, or local representative of the law officers of the crown, in the investigation of crimes and the prosecution of criminals. Spalding s mother, Frances Read, was well connected among the old and influential families of the city. When he went to school, Spalding was known to be the only son of a widow. He had one sister who died in early life. Whatever delicacy of constitution he inherited seems to have come from his father s side for his mother lived to the year 1874, and died in the house of her son s widow among her grown-up grandchildren.
