Dover Publications Inc., United States, 1995. Paperback. Book Condition: New. 202 x 128 mm. Language: English . Brand New Book. In his stories and in such landmark novels as *Sister Carrie* and *An American Tragedy*, Theodore Dreiser (1871-1945) defied literary propriety and broke new ground in American fiction by focusing on life as it is, rather than as it ought to be. Sherwood Anderson, introducing a collection of Dreiser stories, said of him: If there is a modern movement in American prose writing, a movement toward greater courage and fidelity to life in writing, then Theodore Dreiser is the pioneer and the hero of the movement. Indeed, his bold example paved the way for a new generation of American writers. The five superb stories in this volume vividly attest to the sincerity and depth of Dreiser's gifts as a powerful and original storyteller. They are *Free*, the story of a man trying, as his wife lies dying, to understand why he never found happiness in marriage; *The Second Choice* and *Married*, two insightful tales of the complex relationships of men and women; *Nigger Jeff*, a powerful, disturbing story of a lynching; and *The Lost Phoebe*, a poignant tale of a man's search for a lost life partner.
