

Water-Supply Paper Volume 868-870

By Geological Survey

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1911 Excerpt: .shape are produced by intervening tributaries or by other factors, such values of K are equivalent to the time of travel of a flood wave from the upper end to the lower end of the indicated reaches. These values of K should be compared with the actual times of crest discharge as discussed in the section General features of the flood, where there is also described the relative effects of tributary inflow and normal wave motion on flood-crest timing during the flood of August 1935. - Seddon, J. A., River hydraulics: Am. Soc. Civil Eng. Trans., vol. 43, p. 179, 1900. Thomas, H. A., The hydraulics of flood movements in rivers: Carnegie Inst. Technology, pp. 17-38, 34 reissued 1937. - Jones, B. E., A method for correcting river discharge for a changing stage: U. S. Geol. Survey Water Supply Paper 375, pp. 117-130, 1916. Table...

Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Ken Watsica**

Totally among the best publication I actually have actually go through. It can be filled with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Glen Ernser**
