Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

iUniverse, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.THE ENIGMA is based on true life murder and its resultant court-marshal whose outcome challenges credibility. When a soldier is found murdered in Texas, two lesbian lovers who were with her on the night of her death are arrested. The one who actually did the crime accepts a plea deal to testify against her lover, an Army Specialist who sees herself as a man trapped in a woman s body. She now must prove her innocence. While centering of a crime of passion with secrets, betrayals, and the legal battle, the book tells the story of a unique and complicated individual whose life situation ties into controversial, contemporary social issues. The ENIGMA is a riddle wrapped in a mystery inside the enigma reference. It s a murder (riddle) for a curious reason (the mystery) allegedly by an extraordinary complex individual (the enigma). Based on a true story, the real-life participants are painted as vividly as those who inhabit a fictional page-turner. The depth of character exploration, sociological observations, and military ways and means is stellar.
