Bobby Akart Inc., 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Axis of Evil had the perfect strategy. Destroy the heartbeat of America. The decisions made in the darkened rooms of Washington have a profound impact on ordinary Americans like the Armstrong family, Texas ranchers who spend their time making a living, but also preparing for the worst. As most of the family lives their life in Texas, one of them will unknowingly be the catalyst for World War III.
