That highly important person the general reader is equally ill served. It is strange that no one of the greater masters of modern historical writing in England should have turned his attention to the story of the British Realm in its extension beyond the seas of Europe. What might the subject have become in the hands of a Froude, a Freeman, a Stubbs, a Samuel Rawson Gardiner, a John Richard Green! Seeley, who seemed marked out for the task, contented himself with a single suggestive, if somewhat superficial, essay. Macaulay has given us a vivid indication of what he could have done with the theme if he had not limited his share in it to two dazzling biographical sketches. We have had no modern History of the English in India written on a large scale and with the dignity and literary power the subject demands. We have not even an adequate life of the great man who was the...
