Createspace, United States, 2011. Paperback. Book Condition: New. 212 x 138 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Patchwork Dog has a knack for getting into trouble and his best friend, Calico Cat usually winds up right in the middle of the mess with him. Calico would rather spend her days sleeping in her nice comfortable bed, staying safe and worry free. She knows better than to follow Patchy when he is out looking for a new adventure, but she tags along anyway just in case. On the other hand, Patchy is very curious and is always investigating new sights, sounds and smells. He follows his nose wherever it goes. Sometimes that leads to trouble but other times it gives Calico a chance to play a trick on her not so smart friend. Join the two lovable creatures as Patchy tries to fly like a bird and finds out that soaring through the air is fun but the landing hurts too much. In another adventure, the little dog gets caught sneaking around an airplane. In the other three stories, Patchy and Calico eat too many apples, confront a not too friendly skunk, and take a magical ride into town. Patchwork Dog and Calico Cat has illustrations at the beginning of each chapter that hint at what the new adventure will be about. Other pictures are included at the end of each story along with some questions for the child to answer. Older children can read the stories themselves or it would make a wonderful bedtime story book for younger kids. The five tales will entertain children of all ages with the antics of the title characters and hopefully teach youngsters some valuable lessons on sharing and working together.
