### **Reviews**

*This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## CLUB ZERO-G

Paperback. Condition: New. Ships From Canada. New. No dust jacket as issued. Trade paperback (US). Glued binding. 139 p. Contains: Illustrations. Audience: General/trade. Product Description: Douglas Rushkoff, author of eight books on media and culture, as well as the novels *Ecstasy Club* and *Exit Strategy*, marks his graphic novel debut with *Club Zero-G*. Teaming with Canadian independent comic artist Steph Dumais, Rushkoff has delivered America's answer to Japan's anim: a mind-altering journey into a universe where consensus reality is up for grabs. The story follows Zeke, a gangly, unpopular, 19-year-old college student-a townie who also happens to attend the elite college in his community-who has discovered a terrific new club where he is accepted and popular. There's only one catch: everyone at the club is dreaming. It only exists in the shared dream consciousness of its participants. If at all. For there's the rub: Zeke's friends think he is simply going crazy. His girlfriend in the club won't even acknowledg.
