Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.

POISED FOR PARTNERSHIP: DEEPENING INDIA-JAPAN RELATIONS IN THE ASIAN CENTURY (HARDBACK)

Oxford University Press, United Kingdom, 2016. Hardback. Book Condition: New. 224 x 146 mm. Language: English Brand New Book. The growing strategic partnership between India and Japan is among the most closely watched developments in Asia today. Yet progress beyond the level of rhetoric has been slow, and there continues to be a paucity of rigorous studies on the topic. This pioneering volume brings together a cross-generational group of top scholars and analysts from both India and Japan to study four key areas of bilateral cooperation: economics, energy and climate change, security, and global governance. Specific issues covered include trade, investment, energy security, renewable energy, maritime security, peacekeeping, multilateral institutional reform, nuclear non-proliferation, and the rise of China. Within each focus area, contributors discuss their respective countrys interests, how successful their country has been in achieving them, the current obstacles to deeper bilateral cooperation, and what concrete policies both countries can undertake to impart vitality and longevity to their partnership. The volume is thus both an academic work of foreign policy analysis and a pragmatic manual for policymakers on both sides. If Delhi and Tokyo are sensitive to the insights presented in this volume, they can proceed to build a truly lasting partnership for the 21st century, which can rightly be called the Asian Century.
