Outlines of Industrial Drawing, Vol. 2: An Elementary Manual for the Self-Instruction of Pupils of Public and Private Schools; Grammar Course, Free Hand and Instrumental (Classic Reprint) (Paperback)

By Paul Achille Garin

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Outlines of Industrial Drawing, Vol. 2: An Elementary Manual for the Self-Instruction of Pupils of Public and Private Schools; Grammar Course, Free Hand and Instrumental Usually, industrial drawing books are more comprehensive than this one. They contain what should be done: this book covers only what can be done with the time and means now at our disposal in the public schools. Perspective, historical ornament, etc., have been relegated to the High School, where they properly belong. Constructive drawing for mechanics and farmers has been preferred to pretty and showy work, but the few sections on Drawing from Natural Forms have been inserted at the solicitation of some teachers who wish their pupils to have directions for sketching botanical and entomological objects.
