This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

The skies shouted it to the seas that thundered it to the waves that roared it to the great white whales that sang it to the starfish in the deep. And tiny sandpipers danced it on shining sands. 'It's time! It's time!' On one quiet night, creation whispered a secret. Grass and bees, robins and trees all spread the word. Sheep told their young while angels sang the song to the shepherds. Hushed news of a miracle echoed to the ends of the earth. The moment had come. The long-awaited child had arrived! Creation cried out in celebration, but only a few people heard. Only a few joined nature's chorus, a song in praise of the newborn King.
