

Keramic Art of Japan (Classic Reprint) (Paperback)

By George Ashdown Audsley

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Keramic Art of Japan In writing the chapters devoted to the consideration of the Japanese Keramic manufactures, great difficulties have been experienced. Every available stream of information had to be carefully traced to its source; collections had to be reached and examined, both at home and abroad; Japanese authorities had to be catechetically examined, and the salient points of their oftentimes conflicting statements picked out and noted; and lastly, an extensive collection, with all the links as complete as possible, had to be formed by ourselves for reference and study. In the pages of the Work we have acknowledged the sources from which special information has been derived. It is rather remarkable that modern writers on Japan, including those who have visited and resided there, have taught us absolutely nothing relative to the Keramic industry of the country; indeed, in comparison with the labours of Kaempfer and Siebold, modern exertions in a similar direction are painfully insignificant. It is a question if, had those indefatigable men. Not existed, we should at the present time have known half what we do...
