

Irish Annals of New Zealand

By Michael O'Leary

Earl of Seacliff Art Workshop. Paperback. Condition: New. 58 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. The Irish Annals of New Zealand is essentially a Joycean tour-de-force through New Zealand's history from the Irish rather than the usual English point of view. However, as well as historical facts the novel incorporates many other linguistic and language conceits and concepts. The story begins with the main character falling from a train, having opened the wrong door because he is drunk. He lies dying alone in the falling snow of the central North Island. During the course of the novel he is visited by several of his ancestors, Irish and Maori, who tell him about his life. He also turns into other life forms. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Extensive manual! Its this sort of very good study. It is rally fascinating throug reading time period. I am just pleased to explain how this is actually the finest publication we have go through during my personal life and can be he greatest ebook for actually.

-- **Henri Runolfsdottir**

Complete information! Its such a great study. It is probably the most amazing book i have got study. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Mr. Roger Luettgen III**
