## FOOD SECURITY IN POST CONFLICT NEPAL: CHALLENGES AND OPPORTUNITIES

DOWNLOAD

Adroit Publishers, New Delhi, 2016. Hardcover. Condition: New. 172pp. Food Security Has Emerged As A Major Global Concern Due To Changes Brought By Climate Change, Demographic Dynamics, Political Power Struggles, And Rapidly Globalizing Economic Processes. In The Case Of Nepal, Current Efforts To Rebuild The State After A Decade- Long Insurgency Have Added Another Challenging Dimension To Food Security. The Interim Constitution (2007) As Well As The Newly Promulgated Constitution Of Nepal In 2015 Have Enshrined The Right To Food As A Fundamental Right For Nepali Citizens. Hence, Post- Conflict Debates In Nepal Have Focused Significantly On Food Issues. This Book, Food Security In Post-Conflict Nepal: Challenges And Opportunities, Devotes Its Pages To Important Issues And Perspectives That Help Illuminate The Complexity Of Food Security In Nepal While Also Pointing Ways Forward To Ensure Better Livelihoods For Nepali People. As A Predominantly Agricultural Country, Food Insecurity Should Not Be An Issue For Nepal Theoretically. However, In Practice, Food Security Is A Constant Challenge. Experiences In Nepal Clearly Indicate That Food Insecurity Is Exacerbated By A Combination Of Internal Domestic Causes Such As Armed Conflict, Weak Policies, And Weak Institutional Arrangements For Food Governance. Externally, Food Security Issues In Nepal Are Hampered By The Commercial Interests Of Developed Countries As They Influence The Cultivation And Use Of Resources, Development Investment, And Trade Regulations. Further, This Volume Explores Issues Ranging From Farmers Concerns, To Markets To The Current Push For Genetically Modified Seeds-All Of Which Exert A Challenging Influence On The Sensitive Matters Of Food And Agricultural Productivity In Post-Conflict Nepal.
