Despite starting out life as an officer in the British army, Cecil Street went on to become a successful author of detective fiction. His most famous crime-solver, Dr. Priestly, featured in almost fifty novels, including the acclaimed The Elusive Bullet. Many crime and detective stories, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
