Brand New Book ***** Print on Demand *****.Don't worry, you're safe in the journal where the zombies can't get you! Jot down your thoughts about the day, and about the walkers you avoided. The cover has a nice gloss so if zombie guts get on it, you can wipe them off. Keep a list of your cardio, remember rule number two is double tap. Try not to get stuck in a mall with all the dead folks, but if you do, clear out a safe zone where you can sleep. Live a life worth recording, and record it right here in this zombie crossing journal.
