Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

New Society Publishers, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. You give a damn, right? You want your money to do good, but your pension is riddled with oil and defense companies. Besides, investing is a pain in the ass. It's tedious, and most sustainable and responsible investing books are as much fun as a root canal. You're fighting the urge to bury your head in the sand. What to do? There is a better way. Invest Like You Give a Damn is a different kind of investment book. It tells real life stories of people just like you. People who give a damn but who have stomped the devil of inertia and chosen to align their money with their values. Coverage includes: * Why you need to give a damn about your investments * Engaging investor stories to guide financial planning and investment decisions * A ground-breaking financial and socially responsible investing asset allocation tool for profit and sustainability impact maximization * Money makeover profiles * How-to investing from one-click to deep-dive portfolio building Authored by a leading socially responsible investing expert and replete with humor and irreverence, Invest Like You Give a Damn is for everyone from college graduates waiting tables, to mid-life generation Xers, to baby boomers who want to live their ideals. Get it, read it, give a damn! Marc de Sousa-Shields is co-founder of the Social Investment Organization (SIO), a UN and World Bank advisor, and contributor to online corporate sustainability magazines including Triple Pundit and Sustainable Brands. He's worked in eighty countries, blogs at The Sustainable Century, and when not on the road, he lives in Mexico.
