PAY ATTENTION TO THE THIN COW (PAPERBACK)

Dog Ear Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Since 1979 when Tom Quinn and Gene Hoots began investing together, there have been a major bull market, a gigantic bubble, two major bear markets, and heart-stopping stock market plunges. Through all of this, their firm has adhered to its investment philosophy. Pay Attention to the Thin Cow is a collection of CornerCap s writings through 2005. Running the \$4 billion benefit funds of R. J. Reynolds worldwide gave the CornerCap founders an opportunity to study the investment industry close up and personal. The experience became an investment laboratory where they were exposed to the best of the players in the institutional investment world - the consultants, the banks, and the mutual fund giants, the private advisory firms both in the US and abroad. After a decade of observing what worked and what didn t, they set up CornerCap, a firm that was based on the best practices of the investors they studied. These CornerCap commentaries consistently describe and reinforce those practices to the reader. They explain, in simple understandable terms, straightforward advice - advice that they always point out is easy to understand, but very hard to do. While it is a collaborative effort, much of the book reflects the personal experiences of Gene Hoots. He has had the unique opportunity to work in the corporate world as a major customer of investment services for twenty plus years and then help create a small, entrepreneurial firm that is a supplier of those same services. He notes that size really doesn t alter the rules; the same investing principles apply to everyone. Along the way, he also offers opinions on the major issues he believes we are facing in America today,...
