Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE MALTESE MANUSCRIPT

Poisoned Pen Press. Paperback. Condition: New. 250 pages. Dimensions: 8.4in. x 5.4in. x 0.8in. In classic noir tradition, English Professor Karen Pelletier gains a client when her office door opens and a famous Private Eye novelist enters. The author is dogged by Trouble (a Rottweiler) and by a problem. And since Sunnye Hardcastle (a Patricia Cornwell lookalike) will be a featured speaker in the English Departments upcoming conference on the murder mystery (from a Feminist Perspective), Karen is intrigued. The next thing you know, one midnight someone rushes out of the Enfield library with an armload of rare books. In fact, the library is missing a truckload of its treasures. Then a suspect is found dead in the stacks, his neck broken. With a real private eye on the case, the hunt is on—for the manuscript of Hammetts famous novel, The Maltese Falcon, for the missing books, and for potential murder suspects. A sparkling fifth entry in an award-nominated series by Fordham University professor Joanne Dobson riffs the hardboiled genre and several sacred icons. What is truth What is fiction No one seems certain. Perhaps most frustrated is Karens boyfriend, Massachusetts police lieutenant Charlie Piotrowski, a man having trouble dividing his personal and professional life, let alone translating modern academic-speak. But then, dont we allJoanne Dobson is the author of Quieter Than Sleep, The Northbury Papers, The Raven and the Nightingale, and Cold and Pure and Very Dead. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
