Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Azeril can t remember anything about his life before he came to live as a ward of the Church--except his desire to assassinate wizards. He s become the Church s most cunning weapon. By day, Az hides in plain sight as a student, with only his beloved obsidian knife as a reminder of who he is. Until one night, when a wizard recognizes him from his past. The killer in Az never misses his mark, but he can t destroy the only potential link to his life before this. For the first time, Az has a lead on who he used to be--if only he could escape the watchful eye of the High Priest long enough to investigate. Azeril discovers that the line between good and evil--the primal forces of the Fire and the Chasm--is as shifting as his own moral compass. And the truth about who he is will put his entire world in danger.
