

## Backstabbers and Bullies: How to Cope with the Dark Side of People at Work

By Professor of Psychology Adrian Furnham

Audible Studios on Brilliance, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. The idea of leadership failure and derailment has been brushed under the carpet for far too long, and only now are statistics appearing on the sheer numbers who fail. Backstabbers and Bullies provides the latest psychiatric and clinical perspectives on dark-side behavior, including: recognizing and coping with overconfident, narcissistic, and psychopathic leaders; causes of leadership derailment and failure; corrupt corporate cultures; and the criminal personality. Fascinating listening for anyone who has worked alongside a corporate psychopath, business narcissist, or histrionic show-off, Backstabbers and Bullies goes beyond the science to explain how to better understand, manage, and prevent dark-side behavior and presents advice for reducing derailment potential for yourself, your colleagues, and your organization.
