Brand New Book ***** Print on Demand *****.Excerpt from The Pearl: An Interpretation When we study the poetry of the Middle Ages, especially the religious verse, without taking into account the vital teachings of the Eucharist, we are doing violence to the age - we are taking both color and fragrance from the flower. Men based their hopes of heaven upon the Eucharist; they found therein the full and perfect revelation of Deity; they looked to it as the key of heaven; they found therein union with their own loved ones who were dead; they experienced there through day by day a personal relationship with the Incarnate God; they built their churches as a setting for the great drama of love enacted within; they developed their art to do honor to that great Mystery which was the sacred heart of the Middle Ages. To this goodly fellowship I am convinced that we should add the fourteenth-century poem of The Pearl. The student of the symbolism of The Pearl has two scholars above others to thank for collecting materials which are indispensable to the task of interpretation. I mean Dr. Charles G. Osgood in the Introduction and Notes to...
