Darkness, Darkness: (Resnick 12) (Paperback)

By John Harvey

Cornerstone, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. A war between the past and the present, in a place wracked by guilt and vengeance, a country torn into pieces. A brilliant, important and moving book about the legacy of 1984, and where and who we are now. David Peace. The final DI Charlie Resnick novel, from the Cartier Diamond Dagger winner and Sunday Times bestselling author of Cold in Hand. Thirty years ago, the Miners Strike threatened to tear the country apart, turning neighbour against neighbour, husband against wife, father against son - enmities which smoulder still. Resnick, recently made up to inspector, and ambivalent at best about some of the police tactics, had run an information gathering unit at the heart of the dispute. Now, in virtual retirement, and still grieving over the violent death of his former partner, the discovery of the body of a young woman who disappeared during the Strike brings Resnick back to the front line to assist in the investigation into the woman's murder - forcing him to confront his past in what will assuredly be his last case.
