

Jesus the Son of God: A Christological Title Often Overlooked, Sometimes Misunderstood, and Currently Disputed

By D. A. Carson

SPCK Publishing, United Kingdom, 2012. Paperback. Book Condition: New. 216 x 144 mm. Language: English . Brand New Book. Although it is a foundational confession for all Christians, much of the theological significance of Jesus s identity as the Son of God is often overlooked or misunderstood. Moreover, this Christological concept stands at the center of today s Bible translation debates and increased ministry efforts to Muslims. New Testament scholar D. A. Carson thus sheds light on this important issue with his usual exegetical clarity and theological insight, first by broadly surveying Jesus s biblical name as the Son of God, and then by focusing on two key texts that speak of Christ s sonship. The book concludes with the implications of Jesus s divine sonship for how modern Christians think and speak about Christ, especially in relation to Bible translation and missionary engagement with Muslims across the globe.
