Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Usda, 1962, Vol. 21 ON guard at the gateways into the United States are the some 500 trained employees of the plant quarantine division of ars. Just as agents of the fbi are trained in the detection of crime, these inspectors are trained in finding the secret hiding places of dangerous foreign pests. The work of the division is regular. Its function is the enforcement of basic laws, rules and regulations aimed and designed to prevent the introduction into this country of plant pests, which, if allowed to enter, could soon rob the American farmer of millions of dollars in crop damage and loss. Consumers as well as farmers benefit from the surveillance of this border patrol of plant quarantine agents. The abundance of food now available to consumers at per-hours-of-work is lower than at any time in the past history of the country, due in part to the protection given at our ports of entry. This protection from plant pests is not limited to foreign countries alone, but also to possible infestations from our own off-shore islands and...

### Reviews

*It is a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*
