Hal Leonard Corporation, United States, 1993. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. (Instructional). This book presents a practical approach to improvising through a system of patterns in a traditional blues style. Because so much of today s popular music has its roots in blues, the material included here is a vital component of jazz, rock, RB, gospel, soul, and even pop. The author has compiled actual licks, riffs, turnaround phrases, embellishments, and basic patterns that define good piano blues and can be used as a basis for players to explore and create their own style.
