

Once They Were Brave, The Men of Miletus (Paperback)

Filesize: 3.15 MB

Reviews

The ebook is not difficult in study preferable to understand. it was writtern quite flawlessly and beneficial. You are going to like just how the author compose this book.

(Leola Smith)

ONCE THEY WERE BRAVE, THE MEN OF MILETUS (PAPERBACK)

[DOWNLOAD](#)

AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Greek pre-Socratic philosophers Thales, Anaximander and Anaximenes of Miletus are generally considered the intellectual revolutionaries and founders of Western philosophy and science. They appear in the literature as the first in long lineages of individuals who have contributed to the advancement of ideas and knowledge. They are, however, not the only Milesians who have made their imprints on the pages of history and literature. The classical texts mention in excess of 200 historical and legendary citizens, and occasional residents, who prior to and following Thales made their marks in astronomy, geometry, mathematics, history, law, politics, cartography, town-planning, poetry, rhetoric, architecture and more. The story begins with the establishment of Minoan and Mycaenean settlements in southern Anatolia, and the legendary founders and citizens of Miletus. It moves on to a more detailed discussion of the lives and contributions of the natural philosophers Thales and his associates Anaximander and Anaximenes, and beyond them to an interesting variety of gifted citizens and residents, all of whom brought fame to the ancient city during the Ionian rebellion, the Persian and Peloponnesian wars, the conquest of Ionia by Alexander the Great, and the fragmentation of Alexander's empire during the time of the Diadochii, or War of the Generals. It concludes with the domination of Asia Minor by the Romans during the late Republic and Empire up to the end of the Byzantine period. It is an exciting Anthology of a city and its talented achievers as set against a background of widely different political circumstances, regional conflicts, rebellions, wars and occupations first under the Hittites, and then under the rulers of Persia, Greece, Sparta, Macedonia, Egypt, Syria, Rome, Byzantium and the Turks. The subject is of...
