

Champion s Blood (Paperback)

By Thor Nordin

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The human body is the most beautiful of God s creations. In front of the mirror like this, naked, except for his protective cup, Dylan Johnston admires every rippling muscle on his body: his calves, thighs, abdomen, chest, shoulders, and neck. He stretches his arms. Long and slender, they will seek and find the perfect target: his opponent s jaw, and his arms will become conductors, releasing a bolt of energy through his fists, strong enough to reduce his opponent to the canvas for the ten-count. Dylan Johnston, the light heavyweight boxing champion of the world and a marathon runner, has never taken a wrong step in his life, until a little known boxer and former gang member challenges him for his title, and he learns that life isn t about how you look, how good you are at your sport, or how many admirers you have. To add insult to injury, a brilliant and beautiful woman steps into the boxing gym and gives him the burden of fear and mistrust.
